

THE BRAIDED JOIN

CHEAT SHEET

Want to know how to join a new ball of yarn invisibly and strong? Follow the 4 easy steps below!

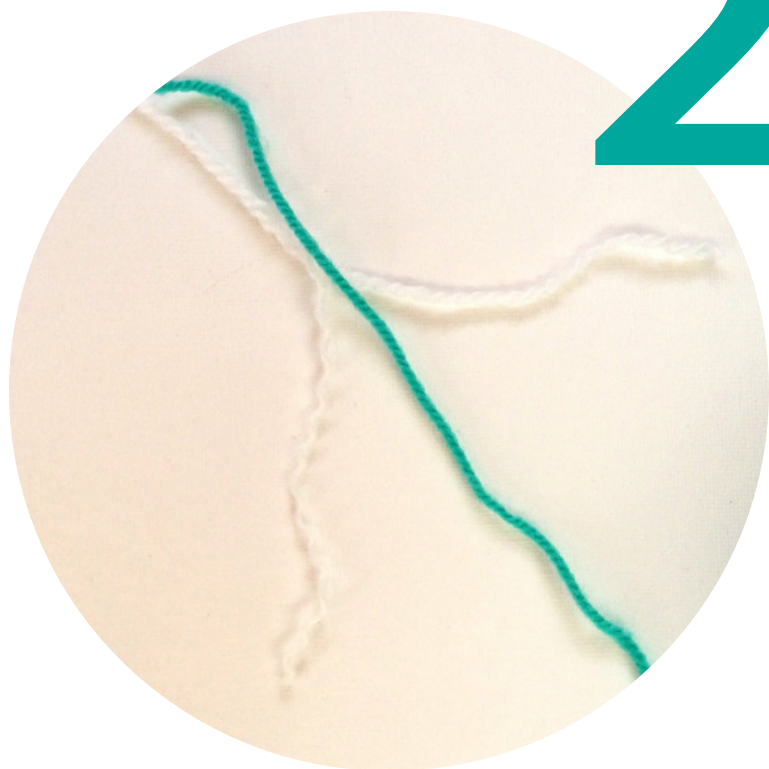

1

Take 2 pieces of yarn, the white comes from the project in this example.

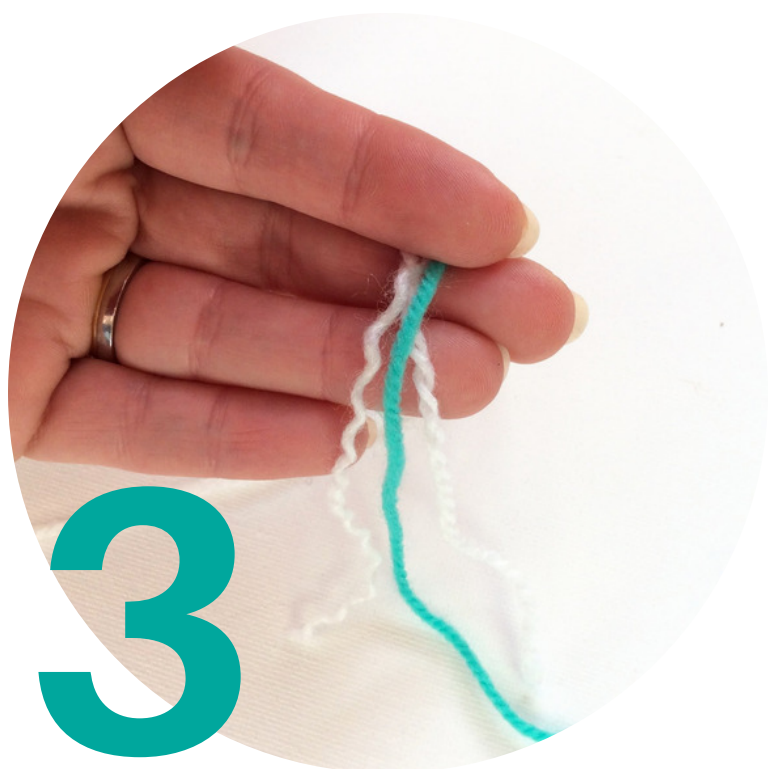

In the "old" yarn loosen the plies over about 10 cm (4 inch) and divide into two. Place the new yarn on top as shown.

2

Hold the threads together at the top

3

Braid the three pieces of yarn (two of the "old" and one of the "new") together to join them.
